EDUCATION

Bachelor of Computer Applications | 2023-2026

GLS University, Ahmedabad

- Relevant Coursework: Data Structures and Algorithms, Object-Oriented Programming, Database Management Systems, Operating Systems, Software Engineering, Web Development, Computer Networks, Artificial Intelligence
- GPA: 3.40/4.00.

WORK EXPERIENCE

SOFTWARE DEVELOPER - FREELANCER

- Developed a fully functional website for a coaching center, enhancing user experience and management efficiency.
- Applied solutions in Google Summer of Code (GSoC), contributing to open-source software development.
- Created projects such as Software-Finder and Cohort-Coaching Site Portfolio, showcasing skills in frontend and backend web development.

PROJECTS

SOFTWARE-FINDER

Devfolio, Techathon-2024

Developed Software-Finder, a platform where users can find and download software for Mac, Windows, and Linux operating systems and also redirect to Apps.

COHORT - COACHING CENTER SITE

Sansole coaching 2025

I worked as a Front-end Developer for Cohort, a website created for Sansole Coaching. I was responsible for designing and implementing the user interface, ensuring a responsive and user-friendly experience. The project helped improve the coaching center's online presence and student engagement.
